Recent Events

LASER World of Photonics, Munich

The Materion Balzers Optics (MBO) team recently attended the in-person LASER World of Photonics tradeshow from April 26 to 29 where they connected with industry experts, customers, prospects and business partners. The MBO team had more than 140 quality conversations with attendees and customers. We call that a win!

Product Demos

Our team presented two Product Demo's on the show floor, learn more at the links below:

Sick Supplier Award 2022

Materion Balzers Optics is very proud to announce that we received the Sick Supplier Award 2022 in the Optics category. This achievement would not be possible without our dedicated team in Balzers! We want to thank everybody from MBO who contributed to this great success.

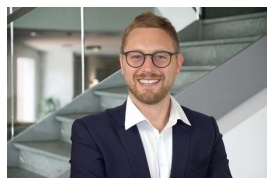

On Thursday, May 12th a delegation from Balzers was invited to the official award ceremony by SICK, Germany to celebrate this achievement together.

Sales and Business Development News

Our Sales Team in Germany is Expanding

We are very happy to welcome and introduce our new Sales Manager in Germany, Florian Schropp. Florian has a strong and profound industry background and many years of experience in the field of Sales and Marketing in the world of optics. Some of you had the chance to already meet him in-person at Laser Munich. We wish him a good start, much fun in his new role and maximum of success. Please feel free to contact us and explore the entire spectrum of our components. Florian and our dedicated team is looking forward to your request.

Florian Schropp
New Sales Manager
Germany
